National FAMILY GROUP CONFERRING Forum

IN THE PURSUIT OF BEST PRACTICE

The Family Group Conferencing Forum brings together FGC Practitioners and services who provide FGC's, to focus on the benefits and challenges for finding, reconnecting and engaging families in the FGC process, and explore strategies to improve long term & future outcomes for families.

The Forum will focus on the benefits and challenges for families who are engaging in the FGC process and explore strategies to improve outcomes for families.

The Forum will be followed by a 2nd day with a series of Master Classes delivered by Professionals whom work within the FGC area to further enhance practice knowledge and experience of Practitioners.

What THE NATIONAL FGC Forum offers the Delegates

- ✓ Speakers specialising in providing Family Group Conferencing and Family Finding
- ✓ Aboriginal families giving personal assessment of their real life FGC experience
- ✓ Master Classes targeting key areas of practice to build on existing skills
- ✓ A focus on best practice to achieve improved real world outcomes for our kids in care, our families and for our communities
